

GLMS PROVIDER *Enrollment Services*

PROVIDERS MAY CHOOSE TO CONTRACT WITH GLMS FOR ALL OR PARTS OF THE FOLLOWING SERVICES:

- » CAQH Profile Set-up and Maintenance
- » Commercial Insurance Credentialing
- » Medicare Enrollment
- » Medicaid and Managed Care Organization Credentialing
- » NPI Registration – Individual and Group
- » Collection and Verification of information provided by the physician for credentialing with third party payers
- » Completion of all applications for commercial payers tracking the progress of obtaining provider numbers
- » Re-credentialing application and management
- » Medicaid Revalidation
- » Medicare Revalidation
- » Terminating providers from your contracts
- » Demographic changes

TIME FRAME:

The amount of time required will vary but the average time is approximately 90-180 days.

Note: Medicare will only backdate effective dates thirty (30) days from the date they receive an enrollment application & the effective dates for the commercial plans can vary.

PRICING:

Discounted rates for GLMS members. Prices vary based on the services requested.

Email provider.enrollment@glms.org for specific pricing information.

Note: For group options, 50% of eligible physicians in the group must be GLMS Members to receive the member rates. Application Fees are not included as part of the prices given.
